How Much Should You Give?

"Give in proportion to what you own. If you have great wealth, give alms out of your abundance; if you have but little, do not be afraid to give alms." - *Tobit 4:8*

- Find your gross annual household income in the chart.
- Move straight to the right to determine your current percentage of giving.
- Prayerfully consider taking a step in faith up to the next percentage level.
- Consider setting your eventual goal at 8-10% or more. It may take a few years to get there, but it can be done by taking one step at a time.

Electronic Funds Transfer Makes Giving Easier

We encourage EFT from your checking or savings account! Your donation may be deducted once or twice monthly (on the 1st and/or 15th), as determined by you. Moreover, EFT is secure, easy to set up, and saves time, postage, printing and envelope costs for the parishioner and parish.

We are considering accepting credit cards for offertory giving. Would this be of interest to you? YES NO
